

## 2022 Egton Bridge Gooseberry Show

### Egton Manor, Egton Bridge

Egton Manor is located just further down the hill from St Hedda's School with access via Barnard's Road (known locally as the Toll Road). If approaching from Whitby proceed past the church and school, then take the left turn just after the church. There is a large car park on the left just after you turn in. All of this will be well signposted. If approaching from Goathland, the entrance is the first right after you cross over the river.

Additional parking will also be available in the usual field on the other side of the rail bridge. We urge all of our visitors not to inconvenience the local residents by parking on both sides of the main road, this makes it impossible for the working agricultural vehicles to get through.
